BECOMING LAFAYETTE
Our Strategic Planning Process

Through the first comprehensive strategic plan for the College in roughly 15 years, we will identify attainable and ambitious goals for lifting the strength, quality, and reputation of Lafayette across the next five to 10 years.

**Identifying Strategic Priorities**

**PROCESS**
Through student, faculty, staff, alumni, and parent dialogue, explore Lafayette’s greatest areas of need and opportunity.

**OUTCOME**
Gather the ideas generated by community stakeholders to help inform Phase 2.

**Anticipated completion by mid-March 2023**

**Envisioning Our Future**

**PROCESS**
Engage the community in discussing and prioritizing specific College objectives for the next five to 10 years.

**OUTCOME**
Invite community review of a draft strategic plan that defines key goals and informs Phase 3.

**Building Our Strategy**

**PROCESS**
With leadership groups and related sub-committees, draft, develop, vet, and complete a detailed plan to achieve identified goals.

**OUTCOME**
Share the completed strategic plan document with the community.

**Realizing Our Promise**

**PROCESS**
Activate the plan across the College.

**OUTCOME**
Turn the goals and priorities of the strategic plan into reality.
